Welcome to AMCRC, the finest Rambler Club in the world!

All our Memberships are calendar year. "Calendar Year" means that all of our publications and services from January to December of the calendar year are yours. New AMCRC members get a special Start-Up Packet. AMCRC is run by volunteers, please allow 1-2 weeks for on-line activation and 1-3 weeks for delivery of your start-up package, which includes: a list of club services, Production Information telling how many AMCs were produced during the years 1954-1969, an AMCRC window decal, a membership post card, and other goodies.

Standard Members (\$25.00) will receive a Rambler Reader and Ad Release at the end of March, July, September and December 2015. Plus Members (\$35.00) will receive all of the above PLUS an Ad Release at the end of every month in 2015 that the Rambler Reader is not published.

Don't forget, we are here to help keep your Rambler on the Road (or get it back on the Road). Once you join the club ads in the AMCRC Ad Release are free to members for selling or buying AMC/Rambler cars and parts, and free web ads for those selling AMC vehicles in running condition. We offer an online "Members Only" area with a Club Roster, past issues of the Ad Release and Tune- Up Charts available for download. Also in the members area is a Technical Forum where you can post technical questions about your car and receive answers from Dr. Otto Torquentube, our resident Rambler expert. For technical assistance you can also drop an email to, or call one of our technical experts.
